LAAA Artists Registry

LAAA requires all artist members to submit images to our registry in the form of printouts. The registry is housed at the La Cienega location and maintained by staff, interns and volunteers. The registry is a resource for the public and professional sector including: art consultants, collectors and curators.

NOTE: The registry is open only to LAAA members.

To be included in the registry, please submit the following:

1. 10 to 20 color printouts of current work – created in the last three (3) years. **Printouts ONLY.**
2. Provide the following information on the printouts:
   - Artist name
   - Title
   - Date
   - Dimensions
   - Medium
3. Image list: The image list should include the same information that appears on the printouts, plus any additional explanation of the work represented — including the price of the work.
4. Current artist resume/CV/bio
5. Artist statement
6. Completed application form – shown below

NOTE: Printouts that do not have the above information (including the price list) will not be accepted.
